

DAVE W PICKLES

Speaker | Master Summitter |
Performance Expert

Do you know anyone that has successfully summited the **Highest Free Standing Mountain** in the World **61 times (and counting)**, organised, lead and participated in several Guinness World Record High Altitude events around the world, served on the front line in the military, lead multiple remote wilderness expeditions to jungle, desert, mountain and arctic locations around the globe and was told he would never run or walk properly again after a devastating 35ft fall but then went onto run ultra-endurance races carrying up to 62lbs of weight – you do now.

Speaker, Master summiteer, adventure and performance expert, Dave W Pickles as a highly sort after consultant has worked with a host of blue-chip corporate and sports club organisations to help increase individual and team performance through better knowing self, method and mind.
